Please find attached bios for the four Chicago-area members of Congress who will be meeting with you in the Large Conference Room on Monday at 10:30a.

They would like to discuss:

- <!--[if !supportLists]--><!--[endif]-->Cooperative federalism
- <!--[if !supportLists]--><!--[endif]-->Great Lakes
- <!--[if !supportLists]--><!--[endif]-->Foxconn plant in Wisconsin

Please let us know if you would like any talking points or other briefing materials.

I understand that Kurt is recused from the Foxconn matter. Rett tells me he should state that he is recused and leave the room for that portion of the meeting.
